Burdainternational

Burda International is a globally operating media company. As the international arm of Hubert Burda Media, one of the largest German media companies, we are home to entrepreneurs and innovators creating products that are tailored to individual consumer needs around the globe. Building on our diversified print and digital brands we create new, innovative products, services and experiences. Our Business Segments are Publishing Europe, Luxury Asia, Education (including printing) and in the UK the segment Immediate Media. With our unique combination of locally rooted teams, profound market expertise and the leverage of our international organization, we are in a position to actively shape the rapidly changing media industry.
